Wonderful Soda--That's what they all say

and why wouldn't they say it?
It certainly is the most wonderful sods we have ever seen,
and probably the very best sods
that can be produced today.
That is the reason. First, purity of ingredients, then exercin
manipulation, then a sanitary
fountain and the cleanest and
mestest service. Thus's what
makes it good. That should appeal to you, and induce you
to meet and treat at our fountain, now and for the balance
of the summer. Any flavor you
want; all the old-timers, and
the newest ones.
